

# Bolo Tie Contest

Would you like to have your own Bolo Tie design seen by the troop? Well now you can. The PLC has decided to do troop bolo ties and we are going to have a contest for the best bolo tie design. Your design has to have is the number “96” and the Boy Scout symbol (Fleur de Lis). The contest runs from February 1st to March 31.

You can bring them every troop meeting (starting on the 6th of February). There will be a bin on the back table for entries. The design has to be legible because the manufacturer will reduce it to a about 1  $\frac{3}{4}$  inches.

The PLC will decide the top three design and then the troop will decide on the one we will use. Good luck to all the participants! The winner gets a free Bolo Tie! Have fun! Ask Spencer B if you have any questions!
