

The People of Haiti Need Your Help Now

Last week, the nation of Haiti was virtually destroyed by a catastrophic earthquake. Hospitals, schools, Parliament, firehouses, homes and businesses were leveled.

Up to 100,000 people are dead.

Some 3,000,000 have little or no food, no clean water, no electricity, no phones, no jobs, no hope.

You can help. Take this \$1 coin and turn it into more money for the people of Haiti. In times of crisis, Scouts take action.

You could use the dollar to make copies of a flyer that advertises work you will do for the people in your neighborhood: shovel snow, shine shoes, sweep out the garage, walk a dog, etc. Ask for a donation in place of payment. Or you could use the dollar to pay for a call to a friend or relative who may be able to help. Tell them the Scouts are collecting money for Haiti and ask them to contribute.

Bring the donation back to a troop meeting by Feb and we will **double** it and send it to help the people of Haiti.
