

SUNBURST SKI RENTAL AGREEMENT 2016-2017 (NO RELEASE)

I accept for use in its **AS IS** condition the equipment listed on this form and accept full financial responsibility for its care while it is in my possession. I will be responsible for the replacement, at full retail value, of any equipment rented under this agreement which is not returned. I agree to return all rental equipment on the agreed date, in clean condition, to avoid additional charges.

I have made no misrepresentations to Sunburst in regard to my height, weight, age or skiing ability. The instructions on the use of my rental equipment were made clear to me and I fully understand the function of my equipment. I agree the equipment will be used for the purpose of skiing at Sunburst only.

There are risks, dangers and hazards associated with the sport of skiing for which this equipment is to be used, which may result in serious personal injury or death and injuries are a common and ordinary occurrence. Risks include, but are not limited to, changes in terrain, weather and snow surfaces, ice, moguls, bare spots, rocks, stumps, debris, fences, posts, trees, lift equipment and towers, the operation of chairlifts, and chairlift loading, riding, and unloading operations, including the presence or absence of restraint bars on the chairs, light poles, signs, buildings, ramps, roads and walkways, rails, boxes, corrugated pipes, cylinders, dance floors, wall rides, rollers, and table tops and other jumps, including their height, the location of the start point, and the angle of their approaches and the angle and length of their take-off ramps and landing areas, and other terrain features, padded and non-padded obstacles, snowmaking, grooming, and snowmobile equipment and operations, and collisions with other persons and other natural and man-made hazards, including collisions with people and obstacles adjacent to and off the skiable terrain, such as snowmaking pipes, hydrants, guns, wands, and other snowmaking equipment, rocks and trees, and improperly-adjusted and malfunctioning equipment. The risks in the sport of skiing can be greatly reduced by taking lessons, abiding by the Skier Responsibility Code (known as Your Responsibility Code), obeying the Wisconsin Skier Safety Act, and using common sense.

The boot/binding system which I will rent is designed to reduce the risk of certain injuries to the lower leg. It will not release at all times or under all circumstances where a release may prevent injury, nor is it possible to predict every situation in which it will release. The boot/binding system will not reduce the risk of injury to my knees or other parts of my body. The boot/binding system does not have a backward release capability and will not release or protect any part of my body in the event of a backward fall. The boot/binding system I have rented **CANNOT GUARANTEE MY SAFETY**.

In the event I am signing as a parent or guardian of a minor, I represent I have full authority to do so.

I HAVE CAREFULLY READ THIS SKI RENTAL AGREEMENT AND FULLY UNDERSTAND ITS CONTENTS.
